Minster Heavy Capacity Gap Presses with Feeds

Progressive or compound die stamping jobs . . . long or short runs . . . are much more profitable when run automatically on the right Minster press with job-matched feed equipment.

Why pay for unnecessary rehandling of parts and storage space? Why tie up several presses when the job can be done faster and more accurately on just one press?

Minster offers a full range of presses and feeds plus technical knowledge and assistance to help you take full advantage of automatic production. Take a close look at your unit costs, then write or call . . .
